Dear Mr. Skiba:

Re: Disposal of API Separator Bottoms ✓

This will confirm your phone conversation with Mr. Bruce Palin of the Solid Waste Management Section on May 23, 1977, concerning the above-referenced subject.

You are hereby granted approval to dispose of the API separator bottoms at the Gary Land Development Landfill, #45-2. It is understood that there is approximately 200 cubic yards per year of this material generated for disposal. This material is to be mixed with the general refuse and covered at the end of the working day. Any necessary local approvals should be obtained prior to disposal.

If you have any questions, please contact Mr. Bruce Palin of the Solid Waste Management Section at AC 317/613-6400.

Very truly yours,

Roland P. Dove, Director
Division of Sanitary Engineering
